

CENSUS
OF
CRAWFORD COUNTY, OHIO
1870

CENSUS
of
CRAWFORD COUNTY, OHIO - 1870

This 1870 Census of Crawford County, Ohio was compiled from a microfilm copy of the original census records which were deposited in the Ohio State Archives in 1964. The original records are now held by the National Archives and Records Administration.

Errors have been made as a result of a difficult and tedious process of transcribing extremely poor, illegible information, but every effort has been made to ensure accuracy. Although much time, effort and expense has been expended by the most capable and experienced personnel, the compiler can assume no liability for any errors or omissions.

CENSUS of CRAWFORD COUNTY, OHIO - 1870

The 1870 Census of Crawford County, Ohio proved to be a difficult document to read (as is the case with most early hand-written documents).

Entries have been made as a result of a difficult, time consuming process of deciphering extremely poorly-written information, with much cross-referencing to other source documents. Although much time, effort, experience and talent were contributed by the most capable and experienced people, it can be expected that some entries were mis-interpreted.
